Specific Gravity at 25°C (77°F)	0.997
Viscosity at 25°C (77°F), cs	20
Flash point, closed cup, °C (°F)	74 (165)

DESCRIPTION

Syl-Off[®] 7028 Crosslinker is a 100 percent solids crosslinker that can be used with most non-emulsion *Syl-Off*[®] brand silicone release coatings that cure via addition chemistry.

HANDLING PRECAUTIONS

Product safety information required for safe use is not included. Before handling, read product and safety data sheets and container labels for safe use, physical and health hazard information. The material safety data sheet is available on the Dow Corning website at www.dowcorning.com. You can also obtain a copy from your local Dow Corning sales representative or Distributor or by calling your local Dow Corning Global Connection.

USABLE LIFE AND STORAGE

Syl-Off[®] 7028 Crosslinker has a shelf life of 24 months from date of manufacture.

PACKAGING

Available in a variety of container sizes. Contact your local Dow Corning Customer Service Representative for information about container sizes available in your area.

LIMITATIONS

This product is neither tested nor represented as suitable for medical or pharmaceutical uses.

FOOD STATUS

This product complies with the following FDA regulations governing food-contact applications: 21 CFR 175.300, 21 CFR 175.320, 21 CFR 176.170 and 21 CFR 176.180. It may comply with BGVV or other global regulatory agency or Kosher requirements as well. Contact your local Dow Corning representative for current compliance information.

HEALTH AND ENVIRONMENTAL INFORMATION

To support Customers in their product safety needs, Dow Corning has an extensive Product Stewardship organization and a team of Product Safety and Regulatory Compliance (PS&RC) specialists available in each area.

For further information, please see our website, www.dowcorning.com or consult your local Dow Corning representative.

LIMITED WARRANTY INFORMATION - PLEASE READ CAREFULLY

The information contained herein is offered in good faith and is believed to be accurate. However, because conditions and methods of use of our products are beyond our control, this information should not be used in substitution for customer's tests to ensure that Dow Corning's products are safe, effective, and fully satisfactory for the intended end use. Suggestions of use shall not be taken as inducements to infringe any patent.

Dow Corning's sole warranty is that the product will meet the Dow Corning sales specifications in effect at the time of shipment.

Your exclusive remedy for breach of such warranty is limited to refund of purchase price or replacement of any product shown to be other than as warranted.
